CLASS DESCRIPTIONS

Active Adults: Moderate intensity, low impact class that uses a variety of fitness formats to build strength, cardiovascular fitness, balance and flexibility. All fitness levels and abilities are welcome! Class intensity: Low to Moderate.

Aqua Barre, \$: Low impact total body water workout utilizing moves from dance, Pilates and yoga, that help improve balance, stability, coordination, strength and overall function. Class intensity: Moderate Joint Impact: Low

Aqua Bootcamp: Intense aqua workout for the whole body. Class will use interval training with/without resistance weights combining strength training with cardiovascular fitness. Participants will also strengthen their core with standing and floating abdominal exercises. Exercise Intensity: 4-5 Joint Impact: High

Aqua Combo: Challenging cardio and resistance training class. Incorporates intervals and equipment to build cardio, strength, flexibility and endurance. Exercise Intensity: 4 Joint Impact: High

Aqua Fit: Well rounded, moderate intensity class designed to provide a complete workout including cardio, resistance training, abdominal work and stretching. Exercise Intensity: 2-3 Joint Impact: Low-Medium

Barre: An invigorating complete body workout fusing yoga, ballet and Pilates to create a strong core and sculpted lean muscles. All levels are welcome! Barre Lite takes the intensity level down a notch.

BODYPUMP: Barbell workout for anyone looking to get lean and toned! Using light to moderate weights with lots of repetition, BODYPUMP challenges all of your major muscle groups while you squat, press, lift and curl! Class intensity: Moderate to High.

Cardio Strength: Cardiovascular exercises are mixed with strength and resistance work. This class combines interval and circuit training and uses a variety of equipment or just body weight. All fitness levels and abilities are welcome. Class intensity: High.

Cardio Boxing, \$: This class is a combination of shadow boxing and hitting the bag and incorporates high intensity/low impact exercises. Beginner and experienced boxers are welcome. Class intensity: High.

Cardio Dance: Low intensity and easy to follow dance fitness class. All fitness levels and abilities are welcome. Class intensity: Low to Moderate.

Chair Yoga: A yoga practice in which participants are seated or use a chair to help balance and perform poses. This class is appropriate for individuals not wishing to be down on a mat as all poses will be seated or standing.

Cycle: Explore the different venues of cycle: endurance, hills and drills, speed work, power, intervals, etc. Each class is a new adventure that will challenge you while having fun at the same time. This class offers a combination of strength and endurance training and is a great cardiovascular workout. All levels are welcome.

Cycle & Weights: Working on and off the bike, combine cardio and strength training to give you a complete workout. All levels welcome. Please wear regular sneakers for this class, not cycling shoes.

Cycle with Dr. Deming: Enjoy fellowship and a rousing aerobic workout with high energy and great music. The class is taught by Dr. Dick Deming as part of the Above + Beyond Cancer survivorship program but is open to anyone.

Delay the Disease: This exercise program is designed specifically to address the symptoms of Parkinson's related to movement, balance, coordination and walking rhythm. The Delay the Disease functional movement program helps decrease the risk of falls, minimize fatigue, reduce rigidity and improve mobility. Individuals with other neurological conditions are also welcome to join this class. Class intensity: Low.

Gentle Yoga: A slower, gentler yoga class combining breath with movement using poses designed to improve strength, flexibility and balance in body, mind and spirit. Props make this practice accessible to all levels.

Heart Health: Reduce your risk of cardiovascular disease by improving your strength, balance and flexibility. All fitness levels and abilities welcome. Class intensity: Low.

Pilates+Balance, \$: Learn the basics of Pilates in a fun and easy way. Strengthen your core, lengthen your muscles, improve your balance and overall stability. All levels are welcome. Class intensity: Low.

RIP: An endurance barbell workout that incorporates traditional strength training and motivating music. Every movement plane is attacked by featuring safe and functional exercises. Class intensity: Moderate to High.

SGT-Small Group Training, \$: Cardio and total body strength class using a variety of equipment on the fitness floor. Led by a Fitness Specialist, class meets 2x a week. Class focus/theme may change month to month. Class Intensity: Moderate-High Joint Impact: Low-Medium

SomaYoga, \$: Slow, mindful movements that increase awareness of the whole body in order to move well and improve function in all the muscles and joints.

Tai Chi, \$: *Tai Chi for Arthritis and Fall Prevention, an 8-week program*, is proven to be a specific fall-risk reduction exercise program. It combines leg strength, flexibility, range of motion, and reflexes, with the mindfulness and coordination of balance. Class can be done seated or standing. Class intensity: Low.

Tai Chi, Intermediate level \$: *Tai Chi for Arthritis, 4-week program*, is for those who have preferably completed the 8-week program and/or have previous Tai Chi experience. It is for people with or without Arthritis, an enjoyable and safe set of forms which delivers many health benefits, including: improved muscle strength, coordination, flexibility; and better balance. Class participants must be able to stand for the duration of class.

Yoga: A combination of vinyasa and hatha yoga, explore sun salutations, standing poses, balancing postures, seated and reclining poses, back-bends and core isolation while focusing on breath and alignment of the posture. All levels welcome.

Yoga Barre: Yoga class meets barre workout for the ultimate fitness experience. This intense, but easy to follow class is a total body workout combining yoga, Pilates and ballet inspired moves to target smaller muscle groups and lengthen your body. Our yoga barre class will have your muscles burning, your booty lifted and balance challenged!
