**Ai Chi:** Slow and broad upper and lower limb movements focusing on breathing, trunk stability, balance, and coordinated total body movements. Ai Chi also includes important elements necessary for balance and fall prevention. Ai Chi is ideal for improving range of motion and mobility. Class intensity: Low Joint Impact: Low

**Aqua Barre, \$:** Low impact total body water workout utilizing moves from dance, Pilates and yoga, that help improve balance, stability, coordination, strength and overall function. Class intensity: Moderate Joint Impact: Low

**Aqua Board Pilates, \$:** Pilates class in the water on top of aqua boards. Focus on core stabilization, balance and flexibility enhanced by the calming effects of the water. Class intensity: Moderate.

**Aqua Bootcamp:** Intense aqua workout for the whole body. Class will use interval training with/without resistance weights combining strength training with cardiovascular fitness. Participants will also strengthen their core with standing and floating abdominal exercises. Exercise Intensity: 4-5 Joint Impact: High

**Aqua Combo:** Challenging cardio and resistance training class. Incorporates intervals and equipment to build cardio, strength, flexibility and endurance. Exercise Intensity: 4 Joint Impact: High

**Aqua Fit:** Well rounded, moderate intensity class designed to provide a complete workout including cardio, resistance training, abdominal work and stretching. Exercise Intensity: 2-3 Joint Impact: Low-Medium

**Aqua Volleyball, \$:** Played between two teams, no set teams, participants may join either side. Friendly competition. Beach ball is used. Game rules are on the back of the program flyer. All abilities are welcome.

**Aqua Yoga, \$:** Traditional yoga postures performed in water, making it accessible and beneficial to everyone, including those that typically can not do traditional yoga. Open to all levels.

**Barre:** An invigorating complete body workout fusing yoga, ballet and Pilates to create a strong core and sculpted lean muscles. All levels are welcome!

**BODYPUMP:** Barbell workout for anyone looking to get lean and toned! Using light to moderate weights with lots of repetition, BODYPUMP challenges all of your major muscle groups while you squat, press, lift and curl! Class intensity: Moderate to High.

**Cardio Boxing, \$:** This class is a combination of shadow boxing and hitting the bag (optional) and incorporates high intensity/low impact exercises. No experience necessary. Class intensity: Moderate to High.

**Cardio Strength:** Cardiovascular exercises are mixed with strength and resistance work. This class combines interval and circuit training and uses a variety of equipment or just body weight. All fitness levels and abilities are welcome. Class intensity: Moderate to High.

**Chair Yoga:** A yoga practice in which participants are seated or use a chair to help balance and perform poses. This class is appropriate for individuals not wishing to be down on a mat as all poses will be seated or standing.

**Cycle:** Explore the different venues of cycle: endurance, hills and drills, speed work, power, intervals, etc. Each class is a new adventure that will challenge you while having fun at the same time. This class offers a combination of strength and endurance training and is a great cardiovascular workout. All levels are welcome.

**Cycle & Weights:** Working on and off the bike, combine cardio and strength training to give you a complete workout. All levels welcome. Please wear regular sneakers for this class, not cycling shoes.

**Cycle with Dr. Deming:** Enjoy fellowship and a rousing aerobic workout with high energy and great music. The class is taught by Dr. Dick Deming as part of the Above + Beyond Cancer survivorship program but is open to anyone.

**Delay the Disease:** This exercise program is designed specifically to address the symptoms of Parkinson's related to movement, balance, coordination and walking rhythm. The Delay the Disease functional movement program helps decrease the risk of falls, minimize fatigue, reduce rigidity and improve mobility. Class intensity: Low.

**Gentle Yoga:** A slower, gentler yoga class combining breath with movement using poses designed to improve strength, flexibility and balance in body, mind and spirit. Props make this practice accessible to all levels.

**Heart Health:** Reduce your risk of cardiovascular disease by improving your strength, balance and flexibility. All fitness levels and abilities welcome. Class intensity: Low.

**Rock Steady Boxing, RSB, \$:** Non-contact boxing workout that addresses and fights against symptoms of Parkinson's disease. Intensity varies.

**SGT-Small Group Training, \$:** Cardio and total body strength class using a variety of equipment on the fitness floor. Led by a Fitness Specialist, class meets 2x a week. Class focus/theme may change month to month. Class Intensity: Moderate-High Joint Impact: Low-Medium

**Slow Flow Yoga:** A combination of vinyasa flow and hatha yoga; moving through asanas at a slower pace while taking time/breath to hold and deepen a pose. Special attention on the core. All levels are welcome.

**Tai Chi, \$:** *Tai Chi for Arthritis and Fall Prevention, Part 1, an 8-week program*, is proven to be a specific fall-risk reduction exercise program. It combines leg strength, flexibility, range of motion, and reflexes, with the mindfulness and coordination of balance. Class can be done seated or standing. *TCA & FP Part 2, 4-weeks*, is designed to be a continuation to Part 1 and runs on a monthly basis. Part 2 is done standing. Class intensity: Low.

**Urban Poling, \$:** Learn and practice the use of the activator poles that can help you improve your gait, posture, balance & stability. Class intensity: Low.

**Yoga:** A combination of vinyasa and hatha yoga. Explore sun salutations, standing, seated and reclining poses, back-bends and core isolation while focusing on breath and alignment of the posture. All levels welcome.

**Yoga Barre:** Yoga class meets barre workout for the ultimate fitness experience. This intense, but easy to follow class is a total body workout combining yoga, Pilates and ballet inspired moves to target smaller muscle groups and lengthen your body. Our yoga barre class will have your muscles burning, your booty lifted and balance challenged!

**Zumba Gold:** Dance-fitness class with Latin flavor and international zest. Suitable for beginners, active adults and for those who want to take Zumba at lower intensity and an easier pace. Class intensity: Low to Moderate.
