## CLASS DESCRIPTIONS

**Active Adults:** Moderate intensity, low impact class that uses a variety of fitness formats to build strength, cardiovascular fitness, balance and flexibility. All fitness levels and abilities are welcome! Class intensity: Low to Moderate.

**Ai Chi:** Slow and broad upper and lower limb movements focusing on breathing, trunk stability, balance, and coordinated total body movements. Ai Chi also includes important elements necessary for balance and fall prevention. Ai Chi is ideal for improving range of motion and mobility. Class intensity: Low Joint Impact: Low

**Aqua Bootcamp:** Intense aqua workout for the whole body. Class will use interval training with/without resistance weights combining strength training with cardiovascular fitness. Participants will also strengthen their core with standing and floating abdominal exercises. Exercise Intensity: 4-5 Joint Impact: High

**Aqua Combo:** Challenging cardio and resistance training class. Incorporates intervals and equipment to build cardio, strength, flexibility and endurance. Exercise Intensity: 4 Joint Impact: High

**Aqua Fit:** Well rounded, moderate intensity class designed to provide a complete workout including cardio, resistance training, abdominal work and stretching. Exercise Intensity: 2-3 Joint Impact: Low-Medium

**Aqua Volleyball, \$:** Played between two teams, no set teams, participants may join either side. Friendly competition. Beach ball is used. Game rules are on the back of the program flyer. All abilities are welcome.

**Ballroom Dancing with Johnny:** Learn beginner to intermediate style Ballroom/Latin/Rhythm dances that can be used in any social setting. No experience necessary, no partner required. September 7, 14, 21, and 28 only.

**Barre:** An invigorating complete body workout fusing yoga, ballet and Pilates to create a strong core and sculpted lean muscles. All levels are welcome!

**Barbell Strength:** Strength training class using barbells and/or dumbbells working all the major muscle groups. Class intensity: Moderate to High.

**Cardio Strength:** Cardiovascular exercises are mixed with strength and resistance work. This class combines interval and circuit training and uses a variety of equipment or just body weight. All fitness levels and abilities are welcome. Class intensity: Moderate to High.

**Chair Fitness:** (formerly Heart Health) Strength training, flexibility exercises and balance work done while sitting in a chair or using the chair as a prop. Light hand weights, exercise bands, and/or other equipment may be used. All fitness levels and abilities are welcome. Class intensity: Low.

**Chair Yoga:** A yoga practice in which participants are seated or use a chair to help balance and perform poses. This class is appropriate for individuals not wishing to be down on a mat as all poses will be seated or standing.

**Cycle:** Explore the different venues of cycle: endurance, hills and drills, speed work, power, intervals, etc. Each class is a new adventure that will challenge you while having fun at the same time. This class offers a combination of strength and endurance training and is a great cardiovascular workout. All levels are welcome.

**Cycle & Weights:** Working on and off the bike, combine cardio and strength training to give you a complete workout. All levels welcome. Please wear regular sneakers for this class, not cycling shoes.

**Cycle Wellness:** Improve overall wellness by cycling at higher RPMs. A variety of cycling drills include a mix of rolling hills as well as fun and friendly 'team' activities. Recommended for anyone, including people with Parkinson's disease. Assistance is provided setting up bikes.

**Cycle with Dr. Deming:** Enjoy fellowship and a rousing aerobic workout with high energy and great music. The class is taught by Dr. Dick Deming as part of the Above + Beyond Cancer survivorship program but is open to anyone.

**Delay the Disease:** This exercise program is designed specifically to address the symptoms of Parkinson's related to movement, balance, coordination and walking rhythm. The Delay the Disease functional movement program helps decrease the risk of falls, minimize fatigue, reduce rigidity and improve mobility. Class intensity: Low.

**Fusion:** A challenging but easy to follow class combining fitness, yoga, pilates and barre moves. Total body workout including balance work. Class intensity: Moderate.

**Gentle Yoga:** A slower, gentler yoga class combining breath with movement using poses designed to improve strength, flexibility and balance in body, mind and spirit. Props make this practice accessible to all levels.

**Piloxing:** A fusion cardio workout combining pilates, boxing, and dance. Class intensity: Moderate to High.

**Rock Steady Boxing, RSB, \$:** Non-contact boxing workout that addresses and fights against symptoms of Parkinson's disease. Intensity varies.

**SGT-Small Group Training, \$:** Cardio and total body strength class using a variety of equipment on the fitness floor. Led by a Fitness Specialist, class meets 2x a week. Class focus/theme may change month to month. Class Intensity: Moderate-High Joint Impact: Low-Medium

**Slow Flow Yoga:** A combination of vinyasa flow and hatha yoga; moving through asanas at a slower pace while taking time/breath to hold and deepen a pose. Special attention on the core. All levels are welcome.

**Soma Yoga, \$:** A blend of traditional yoga, breath work, therapeutic yoga, and Somatics. Small, gentle movements lead into larger postures with increased awareness of the trunk and core. Class intensity: Low.

**Tai Chi, \$:** *Tai Chi for Arthritis and Fall Prevention, Part 1, an 8-week program*, is proven to be a specific fall-risk reduction exercise program. It combines leg strength, flexibility, range of motion, and reflexes, with the mindfulness and coordination of balance. Class can be done seated or standing. *TCA & FP Part 2, 4-weeks*, is designed to be a continuation to Part 1 and runs monthly. Part 2 is done standing. Class intensity: Low.

**Yoga:** A combination of vinyasa and hatha yoga. Explore sun salutations, standing, seated and reclining poses, back-bends and core isolation while focusing on breath and alignment of the posture. All levels welcome.

**Yoga Sculpt:** Traditional yoga class mixed with strength-building exercises using dumbbells.

**Zumba Gold:** Dance-fitness class with Latin flavor and international zest. Suitable for beginners, active adults and for those who want to take Zumba at lower intensity and an easier pace. Class intensity: Low to Moderate.
